Hi Christine,

This looks pretty good. I've added a couple of minor things in bold (hopefully the "bold" comes through). I also noticed that you didn't include the petroleum sites, but I'm assuming that was on purpose. Have a great long Memorial Day weekend!

Charles

Subject: Treasure Island update - info correct?

Hi Charles-

This is the update that will go in our database. It's based mostly on the 2007 site management plan. I may add additional info about site 12. Some sites are a little off the radar - do you disagree with any of the bullets here? (has anything changed due to contracts?)

Thanks, Christine
